Hello everyone, hope you're all doing well. Another month is almost gone and time for another meeting; to be held at **Golden Corral on May 2nd at 7:30pm** and as always, come early to eat!

We have another new member, Robert Venters from Rocky Mount, so please make him feel welcome. Robert has been flying for many years from what I understand. Welcome aboard Robert!

Thanks to Gary and Don for helping with rebuilding the charging station last week. Also, Gary and I put fertilizer out around the 10th of April, so hopefully the warm weather

with some rain the grass will take off! (No pun intended)!

The Tad Dietrich Memorial Big Bird Fly in will be in the books by the time you get this newsletter but as I'm writing this column the weather forecast is sounding good, fingers crossed! Post report at the May meeting.

Fly ins are every weekend this time of year in our area so go out and help support those clubs that continue to support us.

Thanks

**That's all for now,
Wheels down for landing!**
